Message from Miss Taunt

Dear Families

Thank you for all your support week this week!

The PTA came in this morning to present in assembly some playground toys and games for the children to use at lunchtimes. This was made possible by your generous support of their events - the school discos, movie night and Easter egg raffle. Photos to follow next week.

We have been overwhelmed by the support from our amazon wish list—22 books have been gifted to us as well as other resources. These have been put straight into children’s classrooms to support their learning and especially to develop their love of reading. Thank you to everyone who has bought something. You can [Click here to see our list.](#)

We want our families to feel part of our school community and that you are involved in your child’s school life. We would like to invite families in to our school Celebration Assemblies on a Friday. This is a chance for to see more of what we do and share the weekly celebrations. We will do this class by class as we can’t fit in more so look out for your classes turn.

As a school we are rewriting our behaviour policy and setting our improvement priorities for next year. Come and be part of the process and have your say. We will be holding 2 parent meetings on Wednesday 15th May at 2pm and 5pm. We really hope lots of you will be able to join us.

Have a great weekend!

Rose Taunt

Measles

IT ISN'T JUST A LITTLE RASH

Measles can be dangerous, especially for babies and young children.

READING MATTERS

Books build a stairway to your imagination

We are **RESILIENT** and
learn from our mistakes

Whether you read to your child or they're old enough to read themselves, just 20 minutes of reading a day is enough to have positive impact on their educational and personal development.

April's recommended reads are all linked to planet Earth and how we can look after it. April 22nd is **Earth Day**— a chance to come together to honour and celebrate our remarkable planet and everything it does for us.
