Message from Miss Taunt

Dear Families

We have made it to the end of term! Thank you for your warm welcome and your support during my first term at Belmore . I have really enjoyed getting to know the staff, children and families.

Our focus for improvement next term is:

Staffing—making sure we have permanent, excellent, long term teachers in every class whilst looking after the teachers we have.

Expectations - having high expectations for behaviour across the school so all children treat adults and children with kindness and respect

Environment - we are working to improve our school environment to better support learning.

We will invite you in next term, as we start to think out 3 year improvement plan, so you can have an input as to what is important to you as we develop and improve our school.

For now, we wish you a happy and calm

Spring break. Happy Easter for those celebrating and Eid Mubarak for the 2nd week. We'll see you on Tuesday 16th April!

Rose Taunt

PTA MEETING

8 Reasons why you should join!

- 1 SUPPORT THE SCHOOL**
The PTA is vital to the success of the school. The funds raised from school PTA events can enrich your child's learning and make every student's experience better. Be part of the group that pays for the playground your child loves or funds the library that's their favourite place to be.
- 2 BE BETTER CONNECTED**
Create closer links with the head, teachers and staff. If you're new to the school, the PTA is an excellent way to find out how things work and become part of the community. If not, you'll still gain greater insight by seeing how things work from both sides.
- 3 CHANGE THE SCHOOL FOR THE BETTER**
Have your say on important decisions. Work with the school and other parents to see where improvements can be made, and implement them. Directly influence the experience of your child and hundreds of others.
- 4 IMPROVE YOUR CHILD'S LEARNING**
Studies show that children whose parents are involved in their education do better in school. Engaging with the PTA shows your children's education is important to you. Play your part in improving the school and watch them.
- 5 IT'S TOTALLY FLEXIBLE**
Whether you're a full-time parent or working the nine to five, anyone can get involved. It's less commitment than you think, and you don't always have to attend meetings. Small jobs such as designing a poster, distributing letters or running a stall keep everything running smoothly.
- 6 IT'S NOT JUST FOR MUMS**
Everyone is welcome, and it's especially important to have dads and male carers represented, as male role models are crucial in children's upbringing. Dads can bring different skills; they can bring a different perspective, and they can bring along other dads.
- 7 LEARN NEW SKILLS**
Everyone has something they can bring to the PTA, but you can also learn new skills by trading with others. Always wanted to perfect that cookie recipe? Not sure how to design a poster? Want to hone your public speaking skills? You can do it with the support of the committee.
- 8 CREATE LASTING MEMORIES**
Our children are only at school for a few years, but they will remember the difference we make for a lifetime. They will cherish the activities and games we fund, learn using resources we buy, and remember the events we hold. Help keep the PTA going so future pupils can benefit too.
