Message from Miss Taunt

Dear Families

Another busy week here for us with Pedestrian Training, World Book Day and lots of great learning going on in classes. It was lovely to have so many adults join us in the classrooms to read to the children at the start of the day.

We look forward to welcoming you back for **Parents Evening this Thursday**. Please remember to sign up for your slots and let the office know if you need any help with this. **Children will have lunch in school and need to be picked up at 1pm**. This is so that teachers can meet families throughout the afternoon. There will be a time to talk about how your child is getting on with their work and their next steps for learning. You are welcome to bring your child with you for the appointment but they do not need to attend.

On a separate note we have to thank our PTA for raising £486 at the recent movie night. They are going to buy us new resources to have out at playtime and lunchtime and we can't wait! Without your support we could not buy these extra things so thank you. Look out for photos in the coming weeks.

Wishing all the wonderful and strong women who care for our children—mums, grandmas, foster mums, nanas, sisters, aunts and family friends—a very Happy Mother's Day on Sunday.

Have a great weekend

Rose Taunt

YOUNG CARERS ACTION DAY

13 | MARCH | 2024

We want to support all our Young Carers, If you would like more information please see our website clicking [here](#) or ask at the office to speak to Ms Morgan.

Please can we ask that your child does **not** bring toys, football cards and other items into school. The reason we request this is items going missing and distracts from learning. Please only ensure your child brings the essential items to school: water bottle, home reading and home learning.

Thank you for your support.

Brain Buddies

We are very excited to announce that we will have a mental health practitioner working to provide support for our children and families. **Geoff Chan** will be at Belmore each Tuesday. Geoff will be running a programme called Brain Buddies with specific classes in KS2 and see children/families who are referred by school. If you have concerns about a child's mental health, anxiety, self-esteem or behaviour then please speak to your class teacher or Ms Cook or Mr Dias Smith
