Dear Parents/Carers

We are excited to introduce a new initiative to foster a love of reading in our children. Starting **after half term**, each child will have the opportunity to borrow a book from our nursery to take home and read together with you.

How it works:

- **Book Borrowing:** Every Friday, your child will bring home a book.
- **Reading Together:** Enjoy reading the book with your child over the week.
- **Return:** Please ensure the book is returned by the following Thursday so we can prepare the next book for your child.

Additionally, we will include information and tips on how to make the most of your reading time together. These tips are designed to help you engage with your child and make reading a fun and educational experience.

We hope this initiative will not only enhance your child's vocabulary and imagination but also provide a wonderful opportunity to spend time and learn together.

Thank you for your support.

Kind regards

Ms Manelska
