Dear Parent/Carer

Re: Year 6 Mock SATs Week – Monday 3rd – Friday 7th March

As you are aware, your child will be taking their SATs in May. To support and help them in preparing for how SATS week will run, we will be holding a **Mock SATs week commencing Monday 3rd March.**

Please could you drop your child off to school at **8.15am through the playground gate** as we are starting the tests promptly at **9am.**

This will allow your child to have revision time before they take the tests. If you cannot get your child here for **8.15am**, they need to be here for **8.40am** at the latest.

If your child is late, they will not be allowed to enter the Year 6 classrooms, and will not be allowed to communicate with the Year 6 pupils until they have taken the test so, please ensure they are on time. If late please drop off at the front office reception where they will be looked after until their appropriate testing time that day. This will be the same protocol during SATs.

The Mock SATs week will follow the same format as the SATs:

Monday 3rd March – Grammar, Spelling and Punctuation

Wednesday 5th March – Mental Arithmetic and Maths Reasoning Paper 2

Thursday 6th March - Maths Reasoning Paper 3

Friday 7th March – Reading paper

Please ensure every day that your child:

- has a good night's sleep
- eats a healthy breakfast
- arrives to school on time

We understand that Mock SATs week can be a stressful time for students, and your support at home plays a crucial role in their well-being. Encouraging a balanced routine with plenty of rest, healthy meals, and reassurance can help your child approach these assessments with confidence. Remind them that their effort matters more than perfection, and we are here to support them every step of the way.

If you have any questions/concerns regarding Mock SATs week, please come and see me or one of the Year 6 teachers.

Thank you in advance for your support.

Yours sincerely

Ms Leung
Year 6 Leader
