

17 September 2024

Dear Parents and Carers,

We are delighted to welcome you and your children to Belmore Nursery! We are pleased to share that the children are already exploring a wide range of activities, from creative arts and crafts to engaging story times and outdoor play. It is heartwarming to see them making new friends, building relationships, and developing new skills each day.

### **Settling in**

As we begin this exciting journey, we understand that each child will settle in at their own pace. While some children may adapt quickly and feel right at home, others might find the transition a bit more challenging.

We are here to support every child. We are committed to creating a warm, nurturing environment where all children feel safe, happy, and valued. Our team is always available to provide extra comfort and reassurance to those who need it, ensuring that every child has a positive and enjoyable experience.

### **Book bags**

We are excited to share that our Nursery children will begin bringing their work home every Friday. To ensure it is safely transported, we kindly request that each child has a book bag.

We ask that all children bring an empty book bag to the Nursery every Monday. These book bags will be kept in their trays throughout the week and will be used to take their work home on Fridays.

The book bag will help keep their work organised and protected, making it easier for you to review their progress and celebrate their achievements. This routine will help ensure that their projects and assignments are safely transported and that you can enjoy reviewing their wonderful work at the end of each week.

The school bag can be ordered and purchased from the main school office from Monday – Friday at 3pm.

### **Family photos**

Also, as part of our upcoming Nursery activities, we would love to create a special display featuring family photos. We kindly request that you send a family photo with your child to school. This will help us celebrate the diverse and wonderful families that build our Nursery community.

Please ensure the photo is clearly labelled with your child's name and bring it in as soon as possible.

If you have any questions or need further assistance, please feel free to speak to the Nursery staff.

Thank you for your cooperation and support.
