## Message from Miss Taunt

### Dear Families

Another busy week in Belmore. We have had some great trips with Reception visiting Hanwell Zoo and Year 4, the Sealife Centre. Year 6 also had a visit from St John's ambulance teaching them emergency first aid - such an important life skill.

In our staff meeting this week we plotted out all the trips and visits for next year. These will be sent out in September and added to parent pay so you have a whole year to pay for them in as many instalments as suits you. We want children to experience some really amazing things right from nursery up to year 6.

We are really looking forward to celebrating the summer (hopefully sunshine) next week with our Family Fun Day organised by the PTA. We want this to be an opportunity for our Belmore community to come together. More details on page 4 and 5.

We have been blown away by the amount of sponsorship money donated through our Paralympian event—over £3000 raised for the school to buy more sports equipment. Thank you to you and all your friends and family for your generosity. Monday is the last day to bring in any remaining money and all the prizes will go out to the children shortly.

These last few weeks are always exhausting, we see that the children are really tired. Please make sure they continue to go to bed at a good time. We have been talking about being kind to ourselves and each other which is even more tricky when we're tired!

Have a lovely weekend - See you on Monday!

# READING MATTERS

Books build a stairway to your imagination

We are **RESILIENT** and  
learn from our mistakes

Whether you read to your child or they're old enough to read themselves, **just 20 minutes of reading a day is enough to have positive impact on their educational and personal development.**

June's Recommended Reads are all to do with Football in celebration of UEFA Euro 2024. I know many of the Belmore children and families will be watching and supporting. It is great opportunity to see some incredible athletes at work and to feel inspired to work so hard at something that you become an expert!
